

Pyramid ash-waste bin (base)

Square ash-waste bin with 4 throw in openings and Pyramid-shape top. Made from sturdy high-quality powder coated steel or stainless steel. The top is available in different variations (to be ordered separately closed and open). The fire retardant galvanized steel inner liner with handles for easy emptying can be accessed through a door at the front side. The door can be opened with a triangle lock. Designed for intensive use and ideal for public areas. Can also be used outdoors.
